Re: Thank you – over 1500 lbs. of non-perishable food was collected during the first Annual ‘Stuff-A-Boat’ Food Drive.

Scott Sundholm (President of S&S Marine LLC) and John Sousoulas, (owner of the Branford and Old Saybrook Parthenon Diners), would like to express their heartfelt gratitude for the community’s overwhelming generosity and support of the first annual ‘Stuff-A-Boat’ food drive.

The food drive culminated on December 23rd, at a VIP reception that presented over 1500 lbs. of non-perishable food to the CT Food Bank, a quantity that far exceeded the originator’s expectations.

On behalf of Scott Sundholm, John Sousoulas and all of the Stuff-A-Boat team, a sincere thank you goes out to all of the donors that made this drive successful in helping to reduce hunger this holiday season
