1. LANDLORD reserves the right to assign dock space, but all efforts consistent with good business practices and the rights and desires of other Tenants will be exercised in an effort to assign dock space desired by the TENANT.
2. The LANDLORD reserves the right to lease or refuse to lease to person for any good or pertinent reason.
3. It is agreed between both parties that the TENANT shall not assign, transfer or permit the use of assigned space to any other party without written consent of the LANDLORD.
4. TENANT agrees that reasonable and customary use will be made of the docks and facilities covered hereby, and that no unnecessary wear and tear, disturbance, nuisance, rubbish or garbage will be permitted on the dock or premises, and that the TENANT will keep dock and premises covered hereby free and clear of gear, tackle and all other obstructions and further agrees to throw nothing, including treated and or untreated effluent or sewage from heads or holding tanks in the harbor or basin.
5. Any infraction of the rules and regulations contained herein or as posted in the office by the LANDLORD shall, at the option of the LANDLORD cancel this lease agreement upon ten (10) days' notice and the TENANT shall remove his boat from the harbor and premises.
6. If TENANT desires to dock a boat other than the one described within said TENANT must first secure permission of the LANDLORD and pay any additional fees as applicable.

10. The LANDLORD will not be responsible for delays in hauling, launching, winter lay-up or commissioning, occasioned by inclement weather or any other circumstances beyond its control.
11. A TENANT may work on his own boat if such work does not interfere with the rights, privileges and safety of other persons or property. The LANDLORD shall reserve the right to require any outside mechanic, craftsman or any other persons performing any work on TENANT'S boat while in or on the premises of LANDLORD to first provide LANDLORD or his yard manager with a standard certificate of workman's compensation and liability insurance coverage in the amount of 5 million dollars in order to protect the health, safety, welfare and property of other Tenants. Failure to meet these requirements would require that TENANT'S boat be removed from the premises of LANDLORD for repairs. Bottom painting – sanding or work that will allow debris to fall to the ground must be protected by placing plastic sheets under the boat. This plastic must be disposed of on a daily basis; sand blasting or spray painting is prohibited.

If TENANT becomes delinquent in rental payments, the LANDLORD shall have the right to take over the property of the TENANT and to secure the property to the space occupied, or to store it in any other location. Space made vacant by the removal of property of the TENANT may then be rented to another tenant at the discretion of the LANDLORD.

In general, the TENANT shall be solely responsible for any emergency measures.
22. DRY STORAGE SURVEY AND INSPECTION: The TENANT authorizes the LANDLORD to thoroughly survey the boat for fire hazards at hauling or prior to moving to dry storage. TENANT understands that this regulation is formulated, enforced and conducted solely for the protection for the TENANT.
